***Dear Emily,***

The house is very big. It has seven bedrooms and six bathrooms. It has a pool. It has a patio. It has a sunroom. The dining room is large enough to fit twelve people. The front yard is massive. My sister got married there last year (her wedding was outside). 300 guests came! The front yard was big enough to do this. The space was perfect. Now, you probably know that house is 67 years old. It needs some repairs. For this reason, we are willing to negotiate on the price. Please let me know if you need any more information.

Your friend,

Anna
