

Decorate Your Classroom Door or Bulletin Board

Transform your classroom with ReadTheory's Rising Stars Board!

Setup

Using the provided cutouts, arrange the Knowledge Points vertically on your Bulletin Board or Classroom Door! Label stars with students' names or use students' photos.

Routine

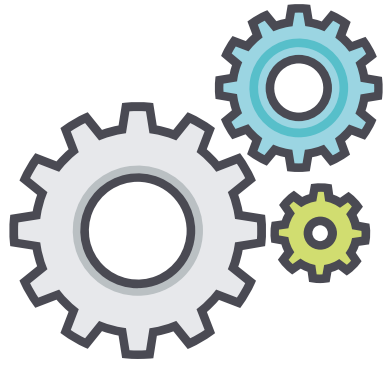

Host a Rising Stars Ceremony every Friday. Let students shift their stars or photos upwards, celebrating each student's climb.

No racing to the top here – it's all about personal growth!

Extra touch

Reward with homework passes, stickers, or a treasure box treat.

Name star-tags

On your bulletin board, you can use students' photos or use these star cut-outs.
Just add students' names to the stars!
